Message from Father Deignan on 3 Aug. 2015

Dear Daniel,

Thank you for your kind report on TSW Free Tutorial Programme.

"Congratulations" on the success of your efforts and that of the volunteers to help these young students who will certainly benefit from your generosity and service.

Yes, sometimes we meet difficulties but I am delighted that you have decided to continue with a different approach and plan. May God continue to bless you and the volunteers in this service of love for young people who may be deprived.

Wah Yan is proud of you and the young people are grateful to you for your efforts to help them.

Wishing you every blessing and with prayers for your continued success.

With gratitude,

Alfred J. Deignan S.J.

Dear Daniel,

..... I am sure that Dr. So and Mr. Chung will reserve a room in their respective schools per request. That's the least our schools can do to show you and your team our support. Again, good job, Daniel! Please kindly extend my appreciation to them.

Peace,

Stephen Chow S. J.

Message from Principal Warren Chung on 14 Aug 2015

Dear Daniel,

Sorry for overlooking the previous email. I am more than delighted to know that such a meaningful programme is developing into the 2nd phase. Your heart for serving the poor and the neglected is much respected and I believe our students can also benefit from living out the spirit of Men for and with Others.

The Common Room has been reserved for the briefing and you may contact my secretary for further arrangement. The recruitment letter will also be uploaded to our school website as soon as possible.

Thanks.

Sincerely,

Warren Chung
